NATIONAL KIDNEY FOUNDATION®

QUESTIONS TO ASK YOUR HEALTHCARE PROFESSIONAL

LIVING WITH IgAN

1. Which signs and symptoms should prompt a call to my healthcare team?
2. What lifestyle changes should I make to ensure the best outcomes with IgAN?
3. Should my IgAN medicine plan be updated now that newer treatments are available?
4. Can you teach me the best way to do home blood pressure monitoring?
5. How can I find a reliable blood pressure monitor?
6. What financial support programs are available for a person with IgAN?
7. How will IgAN and its treatment impact my other medical conditions?
8. What digital tools and resources are available to help me manage IgAN and kidney disease?
9. What tools can help organize medications and ensure that they're taken on time?
