IDENTIFICATION, DIAGNOSIS AND MANAGEMENT OF Chronic Kidney Disease and Secondary Hyperparathyroidism

A CME/CE activity in an on-demand Web cast presentation

Supported by an
educational grant from
Quest Diagnostics

Quest
Diagnostics

PROGRAM OVERVIEW

This activity is designed to provide health care professionals with a comprehensive update on chronic kidney disease (CKD) prevalence, risk factors and staging. The use of GFR and microalbuminuria as disease indicators in CKD is examined. New areas of research focusing on hyperphosphatemia and secondary hyperparathyroidism in CKD is also discussed along with their clinical relevance.

AUDIENCE

Physicians | Family Physicians | Physician Assistants | Nurses |
Nurse Practitioners | Dietitians | Dialysis Technicians | Pharmacists

This CME/CE activity is available as an on-demand Web cast available at www.kidney.org/cme. Participants are able to view a self-directed slide presentation with accompanying audio. At the conclusion of this activity, participants will complete an evaluation and post-test to receive a certificate of completion. The estimated time for completion is 1.0 hour.

LEARNING OBJECTIVES: After completing this educational activity, participants should be able to:

- Describe the prevalence, risk factors and staging of chronic kidney disease and the use of GFR and microalbuminuria as disease indicators.
- Explain the benefits of early identification and management of hyperphosphatemia and secondary hyperparathyroidism.
- Understand the range of treatment options for secondary hyperparathyroidism including side effects.
- Discuss the prevention and management of secondary hyperparathyroidism.

FACULTY

David Wheeler, MD, FRCP
Royal Free and
University College Medical School
London, UK

Cathi Martin, RD, CSR, LDN
Clinical Dietitian Account Manager
NutrePletion Resources

Grahame Elder, MB, BS, PhD FRACP
Westmead Hospital
Sydney, Australia

ACCREDITATION:

Physician

The National Kidney Foundation is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. This activity has been approved for AMA PRA Category 1 Credits™.

Family Physician

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Physician Assistant

AAPA accepts Category I credit from AOACCME, Prescribed credit from AAFP, and AMA PRA Category 1 Credits™ for the PRA from organizations accredited by ACCME.

Nurses and Technician

The National Kidney Foundation is an approved provider of continuing nursing education by the New York State Nurses Association, which is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. It has been assigned code 6EXQ7J-PRV-06.

Nurse Practitioner

This program is pending approval with the American Academy of Nurse Practitioners.

Dietitian

The National Kidney Foundation is a Continuing Professional Education (CPE) Accredited Provider with the Commission on Dietetic Registration (CDR).

Pharmacist

The University of Missouri-Kansas City, School of Pharmacy, is approved by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmaceutical education. Pharmacy continuing education is being sought for this program.

DECLARATION OF DISCLOSURE

It is the policy of the National Kidney Foundation (NKF) to ensure balance, independence, objectivity, and scientific rigor in all CME/CE activities. Any individual who has control over CME content is required to disclose to learners prior to the activity any relevant financial relationship(s) they may have with commercial interests supporting this activity or whose products or devices are discussed in this activity. If, on the basis of information disclosed, a perceived conflict exists, resolution will be achieved based on NKF's Disclosure and Conflict of Interest policy.

UNLABELED/INVESTIGATIONAL USE

During their presentations, faculty may discuss an unlabeled use or an investigational use not approved for a commercial product. Each faculty member is required to disclose this information to the audience when referring to an unlabeled or investigational use.

DISCLAIMER

The faculty, National Kidney Foundation, and Quest Diagnostics do not recommend the use of any pharmaceutical, diagnostic test, or device outside of the labeled indications as approved by the FDA. Please refer to the official prescribing information for each product for approved indications, contraindications, and warnings.
