

## Medical Alert Jewelry

- **MedIds.com** (318-397-8441) will offer a 20% discount to needy patients if the patient uses the code "NKF2010."
- **Medic Alert** (888-633-4298) will waive the fee if the patient submits a letter from his/her doctor on the doctor's letterhead and proof of monthly income. These documents must be submitted along with the company's application form.
- **American Medical ID** (800-363-5985) will provide the stainless steel version for free with a letter from the doctor on the doctor's letterhead. The original letter has to be mailed to the company; it cannot be a photocopy or a fax.
- **Kidney Community Emergency Response Coalition (KCER)** has patient identification cards. This link has a PDF of an ID card (single or 2 per sheet) and a fillable card. Also find links to information about a wrist band for dialysis patients: <http://www.kcercoalition.com/lavender.htm>
