Accreditation Statements for Activities Pending Approval

Physician

The National Kidney Foundation is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. This activity has been approved for *AMA PRA Category 1 Credit™*.

Physician Assistant

AAPA accepts certificates of participation for educational activities certified for Category I credit from AOACCME, Prescribed credit from AAFP, and *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society.

Nurse and Dialysis Technician

The National Kidney Foundation is an approved provider of continuing nursing education by the New York State Nurses Association, an accredited approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

It has been assigned code
7QPLGU-PRV-09.

Nurse Practitioner

This program will be submitted to the American Academy of Nurse Practitioners.

Pharmacist

The University of Illinois at Chicago, College of Pharmacy, is approved by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmaceutical education. Pharmacy continuing education is being sought for this program

Dietitian

The National Kidney Foundation is a Continuing Professional Education (CPE) Accredited Provider with the Commission on Dietetic Registration (CDR).

Social Worker

The National Kidney Foundation Council of Nephrology Social Workers, Provider #1014, is approved as a provider for social work continuing education by the Association of Social Work Boards (ASWB) www.aswb.org, through the Approved Continuing Education (ACE) program. The National Kidney Foundation Council of Nephrology Social Workers maintains responsibility for the program.

Declaration of Disclosure

It is the policy of the National Kidney Foundation (NKF) to ensure balance, independence, objectivity, and scientific rigor in all CME/CE activities. Any individual who has control over CME content is required to disclose to learners any relevant financial relationship(s) they may have with commercial interests supporting this activity or whose products or devices are discussed in this activity.

If, on the basis of information disclosed, a conflict exists, resolution will be achieved based on established policy by the NKF.

Unlabeled/Investigational Use

During their presentations, faculty may discuss an unlabeled use or an investigational use not approved for a commercial product. Each faculty member is required to disclose this information to the audience when referring to an unlabeled or investigational use.

Disclaimer

The faculty and National Kidney Foundation do not recommend the use of any pharmaceutical, diagnostic test, or device outside of the labeled indications as approved by the FDA. Please refer to the official prescribing information for each product for approved indications, contraindications, and warnings.
