

Did you know in Upstate NY...

There are 14 dialysis centers in the Greater Rochester Area serving over 1500 patients.

Over 275 people are waiting for a kidney transplant in our community.

More than 30 living organ donors donated a kidney to a relative or close friend last year.

NKF Mission Statement

The National Kidney Foundation, Inc., a major voluntary health organization, seeks to prevent kidney and urinary tract diseases, improve the health and well-being of individuals and families affected by these diseases, and increase the availability of all organs for transplantation.

1 in 9 American adults has kidney disease...and most don't know it.
