

CCPD & CAPD Treatment - Instruction Sheet

IMPORTANT - Please note the information below!

- **Please bring your cyclor.**
- **CAPD: Supplies need to be ordered though your home dialysis unit.**
- **CCPD: Supplies need to be ordered though your home dialysis unit.**
You are responsible to bring all Exit Site cleaning materials and all dressing materials.
- Please note that the swimming area at Camp is a non-chlorinated lake.
Any camper with a peritoneal dialysis catheter will not be permitted to swim in the lake. Arrangements have been made for a visit to a chlorinated pool during Camp.
