

# Kappa Kidney Camp 2011

Dear Kappa Kappa Gamma member:

The National Kidney Foundation Serving Ohio and Kentucky and its Kappa Kidney Camp volunteers are making plans for a wonderful week of camp for children with kidney disease, June 26 through July 1, 2011, at Recreation Unlimited in Ashley, Ohio.

Please join us for “**Kappa Day**” at the camp on **Wednesday, June 29, 2011**, and experience the joy and excitement of campers who benefit from your philanthropic efforts. The campers are ages 8 to 18 years old and are either on dialysis or have had a kidney transplant. The camp provides each with the opportunity to be a “regular” kid and offers them the enjoyment of the activities of a summer camping experience.

You will have the opportunity to share in a day of the planned camp activities, which include arts and crafts, swimming, boating, a campfire, and more! Kappa Kidney Camp is unique in that the children receive the necessary medical care that they need while attending the camp. We really appreciate your hard work to make this a reality for them and invite you to experience this rewarding program on a firsthand basis.

**Please mark your calendars now for Wednesday, June 29, 2011, and plan to attend Kappa Day, beginning at 9:00a.m. to 9:00p.m. Complete the enclosed reservation form and return it to the National Kidney Foundation Serving Ohio and Kentucky by May 12, 2011.** If you know of other Kappa Kappa Gamma members who would be interested in this opportunity, please do not hesitate to share this information and invitation with them. All Kappa’s must submit a reservation form in order to attend. A confirmation letter with the Kappa Day details and directions to the camp will be mailed in June to those who have sent in a reservation form.

Also, please do not forget to mail your fundraising checks to  
National Kidney Foundation Serving Ohio and Kentucky  
2800 Corporate Exchange Drive Ste. 260  
Columbus, Ohio 43231  
*Please write “Kappa Kidney Camp” under Memo.*

If you have questions about Kappa Day, please do not hesitate to contact Liz Cramer, the Kappa Liaison at (614) 791-1415 or Alisa Parker at the National Kidney Foundation Serving Ohio and Kentucky at (614) 882-6184 ext. 230 or 1-800-242-2133 ext. 230

Hope to see you for Kappa Day 2011!

Sincerely,

Alisa Parker  
Kappa Kidney Camp Coordinator  
National Kidney Foundation, Serving Ohio and Kentucky
