

111 S. INDEPENDENCE MALL EAST, SUITE 411 • PHILADELPHIA, PA 19106 • (215) 923-8611 • FAX (215) 923-2199

To: Nephrologists and Fellow Trainees From: Ellie Kelepouris, MD, Chair Medical Advisory Board

The Medical Advisory Board of the NKF Serving the Delaware Valley is pleased to invite you to *Inter City Kidney Rounds*

Date: Tuesday, March 4, 2014

Agenda: 6:30 - 7:30 p.m. Registration and Dinner
7:30 - 8:30 p.m. *Inter City Kidney Rounds - Hyponatremia: 2013 Evaluation and Treatment Guidelines*
Joseph G. Verbalis, MD – Georgetown University

Location: Estia
1405 Locust Street
Philadelphia, PA 19102

Objectives:

Following this activity the participant should be able to:

1. Discuss the differential diagnosis of hyponatremic disorders, and criteria for diagnosing the syndrome of inappropriate antidiuretic hormone secretion (SIADH).
2. Discuss the pathogenesis of hyponatremic symptoms and of osmotic demyelination.
3. Compare and contrast the current guidelines and recommendations for the treatment and management of hyponatremia..

CME Information: The National Kidney Foundation is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. This activity has been approved for *AMA PRA Category 1 Credit™*.

Declaration of Disclosure: It is the policy of the National Kidney Foundation (NKF) to ensure balance, independence, objectivity, and scientific rigor in all CME/CE activities. Any individual who has control over CME/CE content is required to disclose to learners prior to the activity any relevant financial relationships they may have with commercial interests supporting this activity or whose products or devices are discussed in this activity. If, on the basis of information disclosed, a perceived conflict exists, resolution will be achieved based on NKF's Disclosure and Conflict of Interest policy.

Unlabeled/Investigational Use Declaration: During their presentations, faculty may discuss an unlabeled use or an investigational use not approved for a commercial product. Each faculty member is required to disclose this information to the audience when referring to an unlabeled or investigational use.

Disclaimer: The faculty, National Kidney Foundation and Otsuka America Pharmaceutical, Inc. do not recommend the use of any pharmaceutical, diagnostic test, or device outside of the labeled indications as approved by the FDA. Please refer to the official prescribing information for each product for approved indications, contraindications, and warnings.

Information contained in this National Kidney Foundation (NKF) educational resource is based upon current data available at the time of publication. Information is intended to help clinicians become aware of new scientific findings and developments. This NKF educational resource is not intended to set out a preferred standard of care and should not be construed as one. Neither should the information be interpreted as prescribing an exclusive course of management.

Variations in practice will inevitably and appropriately occur when clinicians take into account the needs of individual patient, available resources, and limitations unique to an institution or type of practice. Every health care professional making use of information in this NKF educational resource is responsible for interpreting the data as it pertains to clinical decision making in each individual patient.

Supported by an educational grant from
