Program at a Glance

The Artificial Kidney

Shuvo Roy, PhD, Professor, School of Pharmacy, UC San Francisco

Panel: There's No Place Like Home

John Moran, MD, FRACP, FACP, Chief Medical Officer, ProMetic Life Sciences

Joanna Lee Neumann, RN, CNN, Special Assignment Clinical Manager, Satellite WellBound

Peter Stefanko, Patient

BREAKOUT SESSIONS

Session 1

A. Disparities in ESRD – Focus on the Urban Poor

Yoshio Hall, MD, Assistant Professor of Medicine, Nephrology, Kidney Research Institute, University of Washington

B. Dialysis Adequacy: Beyond Kt/V

Tammy Sirich, MD, Nephrologist, Santa Clara Valley Medical Center; and Instructor, Medicine – Nephrology, Stanford Hospital & Clinics

Session 2

A. Controversies in Lipid and Blood Pressure Guidelines in CKD

Paul Muntner, PhD, Professor, Department of Epidemiology, University of Alabama

B. Funky Bugs: Mycobacterium Peritonitis in Patients on PD

Khoi Hoang, MD, Nephrologist, South Bay Renal Hypertension

Session 3

A. Panel: Can You Hear Me Now? Improving Communication to Improve Outcomes

OMG and LOL: Talking to Tweens & Teens with CKD

Elizabeth Talley, MD, Clinical Instructor, Pediatrics – Nephrology
Stanford Hospital & Clinics

Special Considerations in Care of the Older Patient

Manjula Kurella Tamura, MD, Associate Professor of Medicine, Nephrology
VA Palo Alto

Fostering the PCP-Nephrologist Relationship

Delphine Tuot, MDCM, Assistant Professor, UC San Francisco School of Medicine

B. Cooking Demo – You Are What You Eat

Chloe Chien, MD, MBA, Cofounder & COO of Homemade

Lori Spears, RD, CSR, Satellite Healthcare

Session 4

A. Debate – Does Acute Kidney Injury Cause CKD?

YES – Chi-yuan Hsu, MD, MSc, Professor and Chief, Division of Nephrology
UC San Francisco

NO – Dena Rifkin, MD, Staff Nephrologist, Assistant Professor of Medicine
UC San Diego

B. Updates in Kidney Transplantation

Deceased Donor Allocation Changes

Erik Lum, MD, Assistant Clinical Professor of Medicine, UCLA Medical Center

Addressing the Severe Organ Shortage: Response to a National Crisis

Richard Perez, MD, Chief of Transplant Surgery, UC Davis Medical Center

Psychosocial Issues in Transplantation

Cathy Burke, LCSW, Kidney Transplant Program, UC Davis

Program Overview

This full day symposium will provide nephrology healthcare professionals with timely updates on CKD guidelines & standards, treatments, and co-morbidities, so that they may better care for and serve patients who are affected by kidney disease.

Target Audience

This program is designed for physicians and physician assistants, nurse practitioners, nurses, dialysis technicians, dietitians, social workers, and healthcare professionals who care for individuals with kidney disease, and in the fields of dialysis, transplantation and organ donation.

Overall Educational Objectives

After attending this symposium, participants will be able to:

- Integrate new discoveries in dialysis, and non-dialysis chronic kidney disease with evidence-based guidelines into clinical practice for improved care of patients with kidney disease.
- Recognize the importance of communication skills that will impact the development level of care for all age groups from teens to the elderly.
- Discuss strategies that will assist with the challenges associated with the current transplant organ allocation system.
- Identify strategies to enhance the nephrology-primary care relationship.

Method of Participation

Participants will attend the live symposia and submit a completed evaluation that will be accessible online. A certificate of completion will be sent to participants immediately upon completion of the online evaluation. CME/CEU Credits/Contact hours will be awarded based on session(s) attended. Instructions on how to access the evaluation will be provided separately. Participants have up to four (4) weeks after the symposia to complete the evaluation.

CME/CE Information

Physician

The National Kidney Foundation is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. This activity has been approved for *AMA PRA Category 1 Credit(s)*[™].

Physician Assistant

AAPA accepts certificates of participation for educational activities certified for Category I credit from AOACCME, Prescribed credit from AAFP, and *AMA PRA Category 1 Credit(s)*[™] from organizations accredited by ACCME or a recognized state medical society.

Nurse Practitioner

This program will be submitted to the American Association of Nurse Practitioners.

Nurse and Dialysis Technician

Provider approved by the California Board of Registered Nursing, Provider Number 13475.

The National Kidney Foundation is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Dietitian

The National Kidney Foundation is a Continuing Professional Education (CPE) Accredited Provider with the Commission on Dietetic Registration (CDR).

Social Worker

The National Kidney Foundation Council of Nephrology Social Workers, approval number PCE 2410, is approved as a Continuing Education Provider by the California Board of Behavioral Sciences. This course meets the qualifications for continuing education credit for LCSWs as required by the California Board of Behavioral Sciences.

The National Kidney Foundation Council of Nephrology Social Workers, Provider #1014, is approved as a provider for social work continuing education by the Association of Social Work Boards (ASWB)

www.aswb.org, through the Approved Continuing Education (ACE) program. The National Kidney Foundation Council of Nephrology Social Workers maintains responsibility for the program.

Disclosure & Disclaimer Policies

Declaration of Disclosure: It is the policy of the National Kidney Foundation (NKF) to ensure balance, independence, objectivity, and scientific rigor in all CME/CE activities. Any individual who has control over CME/CE content is required to disclose to learners prior to the activity any relevant financial relationships they may have with commercial interests supporting this activity or whose products or devices are discussed in this activity. If, on the basis of information disclosed, a perceived conflict exists, resolution will be achieved based on NKF's Disclosure and Conflict of Interest policy. Accredited status does not imply endorsement by the NKF or ANCC of any commercial products displayed in conjunction with this activity.

Unlabeled/Investigational Use Declaration: During their presentations, faculty may discuss an unlabeled use or an investigational use not approved for a commercial product. Each faculty member is required to disclose this information to the audience when referring to an unlabeled or investigational use.

Disclaimer: The faculty and National Kidney Foundation do not recommend the use of any pharmaceutical, diagnostic test, or device outside of the labeled indications as approved by the FDA. Please refer to the official prescribing information for each product for approved indications, contraindications, and warnings.

Information contained in this National Kidney Foundation (NKF) educational resource is based upon current data available at the time of publication. Information is intended to help clinicians become aware of new scientific findings and developments. This NKF educational resource is not intended to set out a preferred standard of care and should not be construed as one. Neither should the information be interpreted as prescribing an exclusive course of management.

Variations in practice will inevitably and appropriately occur when clinicians take into account the needs of individual patient, available resources, and limitations unique to an institution or type of practice. Every health care professional making use of information in this NKF educational resource is responsible for interpreting the data as it pertains to clinical decision making in each individual patient.

Sponsorship: This course may receive support, in part, by educational grants from industry. At this time, a complete listing of commercial supporters is not available. Appropriate acknowledgment will be given to all supporters at the time of the educational activity.
