

NKF *Peers*™

TALK TO SOMEONE WHO'S BEEN THERE!

**Do you need help adjusting to life with kidney disease?
Or want to learn more about treatment options?
NKF Peers can help, whether you have Stage 4 kidney
disease, are on dialysis, or have a transplant.**

CONNECT WITH NKF PEERS

A free, telephone-based peer support program from the National Kidney Foundation. It is designed to bring kidney patients needing support together with a peer mentor who has been through a similar situation. You'll connect with your mentor through a free, private phone system so you won't have to disclose your personal phone number.

CALL TO LEARN MORE!

No question or concern is too small! To receive support or to find out about being a mentor contact us today!
