What you need to know about **KIDNEY TRANSPLANTATION** ...and **LIVING DONATION!**

You're Invited — Save the Date!

A workshop where patients learn about the transplantation process (pre- to post-transplant) from medical experts, donors and transplant recipients. Topics include emotional issues, medications, family relationships and financing. These workshops are offered free of charge, but space is limited. Advance registration is required.

April 23, 2015

Corporate Training Center
Jacobi Medical Center
Building 4, 2nd Floor
1400 Pelham Parkway South
Bronx, NY 10461
6:00pm – 8:00pm
RSVP by April 16
