Kansas, Oklahoma and Western Missouri

**FREE**

**SUNDAY, MARCH 6, 2022**  
**2:30PM - 5:15PM CT**

**Streaming via Zoom Meetings**

**TOPICS WILL INCLUDE:**

- Understanding Nutrition on Dialysis
- Insurance: You Gotta Have It!
- The Patient Experience: Panel
- The Caregiver Experience: Panel
- Foods to Enjoy & How to Use Them
- eGFR Updates in Kidney Care
- Kidney Friendly Cooking
- Transition: More than just finding an adult provider
- Building Coping Strategies for Stress & Anxiety

Join us at the 5th Annual Kidney Social Summit! This **FREE** virtual educational program allows you to engage, learn and become empowered as a kidney patient, caregiver or healthcare professional. We will have both general sessions AND breakout sessions to customize your experience! Sessions will be led by local health care providers & those impacted by kidney disease.

Free to attend, registration is required. All registrants receive a free **Patient Resource Guide eBook** full of recipes, patient stories, articles and more!

Plus, register AND attend to receive an NKF program engagement box. \*While supplies last\*
