

## Declaration of Disclosure

It is the policy of the National Kidney Foundation to ensure balance, independence, objectivity, and scientific rigor in all CME/CE activities. Any individuals who have control over CME/CE content are required to disclose to learners any relevant financial relationship(s) they may have with commercial interests supporting this activity or whose products or devices are discussed in this activity. If, on the basis of information disclosed, a perceived conflict exists, resolution will be achieved based on NKF's Disclosure and COI Policy. Accredited status does not imply endorsement by the NKF or ANCC of any commercial products displayed in conjunction with this activity.

Individuals who have nothing to disclose are listed with no information next to their name. Meeting participants may also refer to the Session Chair introductory remarks for each session for disclosure information and discussion of off-label or unapproved usages of products.
