National Kidney Foundation®

– Answers to Frequently Asked Questions –

How can the card offer great discounts and be free?

Through partnerships of Watertree Health, this program represents millions of people buying similar prescriptions nationwide, allowing lower prices to be negotiated for cardholders. The cards are free because promotional fees are paid by partners.

How much can I save?

ALL brand name and generic prescriptions are eligible for savings up to 75%—no exclusions. To look up the lowest price on your prescriptions at a nearby pharmacy: Wtree.us/SavingsTool.

What are the steps to saving?

Simply show the pre-activated card to your pharmacist when you fill a prescription and immediately start saving. About 95% of pharmacies accept the card—can look up the closest one here: WatertreeHealthCard.com/pharmacy-locator.

Do I need to get a different card for each family member?

No, you can use one card to receive savings on medicines for your entire family.

How can I get more information?

Simply call 1-844-728-3667, email KidneyRx@WatertreeHealth.com, or go to WatertreeHealthCard.com/KidneyRx.

Is my private information protected?

Watertree Health does not sell or share personal health information (PHI) with third parties. We maintain HIPAA-standard security safeguards to protect PHI.

Why should I use this free prescription discount card?

When you use this card, you'll save money on prescriptions. And, Watertree Health will donate \$.50 to the National Kidney Foundation for every script discounted using this card (at no cost to you) to help spread awareness, prevention, and treatment of chronic kidney disease.

Can I use the card with my insurance plan?

It is a great complement to insurance plans. For example, many insurance programs do not cover the medicines for which the card provides savings. These discounts cannot be combined with insurance plan discounts/co-pays, including Medicare or Medicaid.

Is this insurance?

No, this is not insurance. This is a discount program, and users of the card are obligated to pay for all prescriptions as they receive them. The program does not make payments directly to prescription providers.

What if my pharmacist does not know what to do with my card?

Please have them call 1-844-728-3667 to learn about the simple process for using the card. You can also find this Helpline number on every card.

Does the card provide discounts on other products?

Yes, with a signed prescription, it can also be used to get discounts on over-the-counter medicines and some diabetic supplies.

How can I get a card for a friend or a replacement card?

Call 1-844-728-3667, text KidneyRx to 95577, email KidneyRx@WatertreeHealth.com, or go to WatertreeHealthCard.com/KidneyRx.

This is not insurance. This card cannot be used in combination with any third party payer program, including but not limited to prescription coverage through Medicare and Medicaid. Full Disclaimer: wtree.us/disclaimer.
