To celebrate National Kidney Month 2020, the NKF is bringing patients, physicians and community leaders together to go “all-in” for kidney health!

Guests will enjoy dinner, dancing, games, and prizes – all while “raising the ante” for the awareness, prevention and treatment of kidney disease.

**Donated items are requested for use in the event auction and raffle. Revenue from items will be used to further the NKF’s efforts to promote the awareness, prevention and treatment of kidney disease:**

- EDUCATING patients and the public locally and nationally through presentations, print materials, and web-based resources.
- EMPOWERING those at risk to take action at free, local workshops and kidney health screenings.
- SUPPORTING kidney patients, organ donors, and their families - online at kidney.org, on the phone toll-free at 1.855.NKF.CARES, and through personal peer mentoring.
- ADVOCATING as the voice of the kidney patient in Washington D.C. to address the organ donor shortage, fund more kidney research, and defend Medicare coverage for kidney disease.
- SHARING the latest treatment information and practices with healthcare providers so patients get the best possible care.
