- Handicap Index
- Gross

There are two divisions in the NKF Golf Classic: Gross and Handicap Index Division. Top finishing teams in both divisions will be invited to compete at the National Finals at Pebble Beach (additional fees required).

Gross: Foursomes competing in the Gross Division do not require a handicap index.

Handicap Index: Foursomes competing in the Handicap Index Division must consist of four amateur golfers whose total USGA Handicap Index is 42.0 or more. Only one golfer on each team may have a USGA Handicap Index of 8.0 or less. All golfers competing in the Handicap Division are required to present a current copy of his or her Handicap Index card to the tournament committee at the time of registration.

YOUR road to Pebble Beach starts here...

Qualifying first, second and third place foursomes from every local NFK Golf Classic around the country are invited to compete at the National Finals held at the famed Pebble Beach Resorts. Registration fees, travel and accommodations must be paid for by the participant. The Teams intending to compete in the National Finals must be able to be at Pebble Beach, California from January 17-20, 2019.

How your participation helps...

The National Kidney Foundation (NKF) is the leading organization in the U.S. dedicated to the awareness, prevention and treatment of kidney disease for healthcare professionals, patients and their families and those at risk.

Do you know that over 235,000 residents in Upstate and Western New York currently have Chronic Kidney Disease? 4,000 of those individuals rely on dialysis to survive, and more than 800,000 residents are at risk. Your support will impact the lives of those in our own community who are at risk or currently living with kidney disease, and those who care for them.

Our goal this year is to raise \$51,000 to support the valued programs within our 17-county territory serving Upstate and Western New York.
