About the NKF Golf Classic

Qualifying first, second, and third place foursomes from every local National Kidney Foundation Golf Classic around the country are invited to compete at the National Finals held at the famed Pebble Beach Resorts.

So, if the U.S. Open or the U.S. Amateur is not in your future, this three-day tournament may be your only chance to compete for a national championship at the beautiful and challenging Pebble Beach Links, Spyglass Hill Golf Course and The Links at Spanish Bay. Registration fees, travel, and accommodations must be paid for by the participant. The teams intending to compete/participate in the National Finals must be able to be at Pebble Beach, California in January 2017 (actual dates to be announced soon).

How your participation helps

The National Kidney Foundation (NKF) is the leading organization in the U.S. dedicated to the awareness, prevention and treatment of kidney disease for hundreds of thousands of healthcare professionals, millions of patients and their families, and tens of millions of Americans at risk.

In the Delaware Valley there are currently 40,687 patients on dialysis and 13,341 people on the waiting list for a kidney. Your support will impact the lives of those in our own community who are at risk or currently living with kidney disease, and those who care for them.

Our goal this year is to raise \$140,000 to support our valued programs in our area including free community health screenings, educational presentations, and training seminars for medical professionals within the Delaware Valley.

Every team competing must consist of four amateur golfers whose total USGA Handicap Index is 42.0 or more. Only one golfer on each team may have a USGA Handicap Index of 8.0 or less. All golfers competing in the Handicap Index Division for the National Finals at Pebble Beach are required to present a current copy of his or her Handicap Index card to the tournament committee at the time of registration (additional fees required).
