NKFI Tax Exempt Number 35-1180274
1415 Directors Row, Suite 9A
Fort Wayne, IN 46808
jmoore@kidneyindiana.org

The NKFI mission is to prevent kidney and urinary tract disease, improve the health and well being of individuals and families affected by these diseases and increase the availability of all organs for transplantation.

Why support NKFI?

- More than 650 residents of Elkhart , St. Joseph & surrounding counties are on life-sustaining dialysis
- 1 in 9 Hoosiers has kidney disease and most don't know it
- 1 in 3 Hoosiers are at risk of kidney disease because of diabetes and high blood pressure
- 1,400 Hoosiers are awaiting an organ

Thursday, May 14, 2015
6:00-9:00 p.m.
Potawatomi Conservatories

Presented by

Hosted By:
Coach Bob Elliott
Notre Dame
Dr. James Porile
Nephrology Physicians

NKFI Honors Coach Bob Elliott

Bob Elliott is the Notre Dame Outside Linebackers Coach. Coach Elliott began coaching in 1977 and has spent nearly all of the subsequent years coaching defense. He joined the Notre Dame coaching staff in 2012.

Bob began working with the National Kidney Foundation of Indiana after his successful kidney transplant in 2013. Bob, his wife, Joey, along with the rest of their family are advocates for kidney health awareness.

How NKFI Helps

- Free Indiana Kidney Check for Hoosiers with high blood pressure, diabetes, or family history of kidney disease
- Your Kidneys and You education program to raise awareness among the general public about kidneys and organ donation
- Kidney Camp for children ages 8-18 who are on dialysis, have a kidney transplant or chronic kidney disease
- Team Indiana Transplant Games of America
- Emergency assistance for dialysis patients

NKFI Honors Dr. James Porile

Dr James Porile is the senior nephrologist at Nephrology Physicians, LLC. He has been intimately involved in bringing state of the art care to patients with kidney

disease in the Michiana area. Services include all forms of kidney dialysis including most recently nocturnal dialysis along with a large home dialysis program and a vascular access center dedicated to patients with kidney disease. His practice has a robust chronic kidney disease (CKD) management program. He is the medical director for Fresenius Home dialysis as well as for a hemodialysis facility. He has been involved in education in various capacities at the Indiana University School of Medicine South Bend and with the local hospital residency programs.

Dr. Porile volunteers for the National Kidney Foundation of Indiana's free kidney screening. Dr. Porile and his practice supports all the fundraising and awareness programs NKFI hosts in the South Bend area.
