Tricia Behringer, MSW, LCSW

NKFI Director of Programs

Margie Evans Fort, MPA

NKFI Chief Executive Officer

COURSE DESCRIPTION

This one-day multi-disciplinary seminar will enhance understanding of advances in care of the chronic kidney disease patient and provide information to nephrology professionals. Attendees will be able to discuss the challenges and opportunities facing the ESRD patient, transplant recipients, caregivers and the professionals providing that care.

COURSE OBJECTIVES

At the conclusion of this seminar, participants should be able to:

- Discuss the management of Hepatitis C in patients with ESRD
- Describe the rationale and challenges of bringing telehealth to kidney patients
- Outline the strengths and weaknesses of the ESRD Seamless Care Organization Model
- Describe the prevalence of cardiovascular disease in CKD patients
- Describe the relationship between hearing loss and cognitive decline among kidney patients
- Review the possibilities and challenges for kidney transplant recipients and donors
- Summarize the ethical issues surrounding healthcare professionals using social media

ACCREDITATION

This continuing nursing education activity was approved by the Ohio Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. (OBN-001-91). Approval valid through 11/10/19. ONA#21234.

Indiana Council of Nephrology Social Workers, National Association of Nephrology Technicians/Technologists, and American Dietetics Association continuing education units are available.

To receive continuing education credits, symposium participants must attend the full session. For further information, contact the National Kidney Foundation of Indiana at 800-382-9971.

DISCLOSURE

In accordance with the standards for Commercial Support, education programs sponsored by the National Kidney Foundation of Indiana, Inc. (NKFI) must demonstrate balance, independence, objectivity and scientific rigor. All faculty, authors, editors and planning committee members participating in a NKFI sponsored activity are required to disclose any relevant financial interest or other relationship with the manufacture(s) of any commercial product(s) and/or provider(s) of commercial services that are discussed in an educational activity.

NOTE

While offering continuing education hours noted above, this activity is not intended to provide extensive training or certification in the field.
