Continuing Education Information

The National Kidney Foundation is accredited as a provider of continuing transplant education by the American Board for Transplant Certification: CEPTC Provider Number #170. This activity will be submitted to ABTC and given a Program ID.

Note: Acquiring 24.25 continuing education clock hours requires continuous participation from Thursday morning through Sunday morning. Many participants opt for periodic breaks, which make their continuing education clock hours somewhat less. Additional continuing education clock hours are provided for courses requiring separate registration.*
