Your Kidneys & You Training (ONGOING)

Your Kidneys and You is a short presentation that volunteers can give to workplaces, social clubs, or other gatherings. The program designed to raise awareness among the general public about kidneys, risk factors for kidney disease, and how to protect your kidneys. The program consists of a PowerPoint presentation, along with scripted notes and handouts that NKF volunteers present to at-risk groups in our region.

Next Trainings:

- Wednesday, September 12, 2018, 6:00 – 7:15 PM

NKF Administrative Support

- Mailing support – anytime between 9AM-4PM on July 20th
- NYC Kidney Walk Registration Calls – ongoing on weekdays
