If the scheduled election does coincide with the end of the previously elected Alternate's term, that Region will elect both a Regional Representative and an Alternate in the election.

Should the offices of Chairperson and Chairperson-elect become vacant at the same time, a special election for both positions shall be conducted at the earliest possible date. In the interim, the Immediate Past-Chairperson shall serve as Chairperson. In the event that the Immediate Past-Chairperson is unavailable to serve, the Secretary/Treasurer will assume the position until after the special election. Newly elected officers will serve until the completion of the respective terms of office.
Section 7: **Removal from Office**
