Course Description

This is a one-day hybrid conference on home dialysis sponsored by the Icahn School of Medicine at Mount Sinai. Practitioners, researchers, clinician-scientists and RNs who are experts in the field of kidney disease will discuss current developments in the field of Peritoneal Dialysis and related dialysis modalities. There will be a variety of topics, including roundtable discussions on policies and payments and inequity in home dialysis. The conference is designed for health professionals involved in established PD programs, as well as those working in new and developing programs. Both researchers and clinicians will find sessions of interest to them.

Conference Objectives

Participants will be able to:

- Indicate new 2022 guidelines for patients with kidney failure
- Formulate a treatment plan with the best outcome for patients with kidney failure.
- Discuss inequities in healthcare for patients in kidney failure
- Describe the advantages and limitations of Incremental PD

Target Audience

This activity has been designed for nephrologists, internists, PCPs, nephrology nurses and other allied health care clinicians caring for patients with kidney disorders.

Accreditation

The Icahn School of Medicine at Mount Sinai is accredited by Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

The Icahn School of Medicine at Mount Sinai designates this internet live activity for a maximum of 6.25 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

National Association of Nephrology Technicians/ Technologists (NANT) is an approved provider of continuing contact hours exclusively for nephrology nurses and technicians participating in pre-approved

educational programs. A recommended maximum of 7.2 credits based on a 50-minute hour will be granted for this activity. These contact hours may be used for certification application and recertification to NNCC, BONENT, and NNCO certification programs.

Verification of Attendance

Verification of attendance will be provided to all professionals.
