

2022 NKF HEALTH EQUITY COMMUNITY ENGAGEMENT AWARD

Deadline: February 14, 2022

[Kidney.org/ResearchGrant](https://www.kidney.org/ResearchGrant)

The National Kidney Foundation (NKF) is pleased to announce the ***NEW*** Health Equity Community Engagement Award. Proposals should seek health equity related to kidney health at a community level. If successful, projects would have a measurable impact in preventing, reducing, or eliminating kidney health disparities and advancing health equity in local communities or populations at risk for and overburdened with kidney diseases.

FEBRUARY 14, 2022
