JOIN US ON THE ROAD TO PEBBLE BEACH

The road to Pebble Beach starts at Kiawah Island! The National Kidney Foundation Konica Minolta Golf Classic is the nation's Premier Amateur Golf Event for Charity. Each year thousands of golfers from across the country participate in 30 events across the U.S. for the exciting competition and the chance to earn an invitation to the National Finals at Pebble Beach—while raising \$3.5 million for the NKF.

Put together a team of your regular foursome, or entertain clients, and get ready to play at Kiawah Island's Cassique Course for an invite to National Finals at the Pebble Beach Resorts. Your team can play in either the Handicap Index Division or the Gross Division, providing you and your guests with a competitive yet social day of golf whether you are a low handicapper or new to the game. Each Handicap Index Division team can have one player with a handicap index of 8.0 or less and the total combined handicap index for your four players must be 42.0 or more. The Gross Division is for teams whose golfers do not have an official USGA Handicap Index or do not meet the above Handicap Index requirements.

The top finishing teams in both the Handicap Index and Gross Divisions from every NKF Konica Minolta Golf Classic are invited to compete in the National Finals held at the famed Pebble Beach Resorts (additional fees required). If the upcoming U.S. Open or the U.S. Amateur is not in your future, this three-day tournament may be your only chance to compete for a national championship at the beautiful and challenging Pebble Beach Golf Links, Spyglass Hill Golf Course and The Links at Spanish Bay, January 2022.

We look forward to you joining us.

YOUR SUPPORT EMPOWERS ALL THAT WE DO.

Partnerships like yours allow us to stay committed to providing ALL kidney disease patients with a better quality of life through research, patient and professional education, advocacy and increasing living kidney donation.

Your participation in the NKF Konica Minolta Golf Classic keeps us fighting to ensure patients and their families have a place to turn in their time of need.

Your generosity empowers NKF's work to:

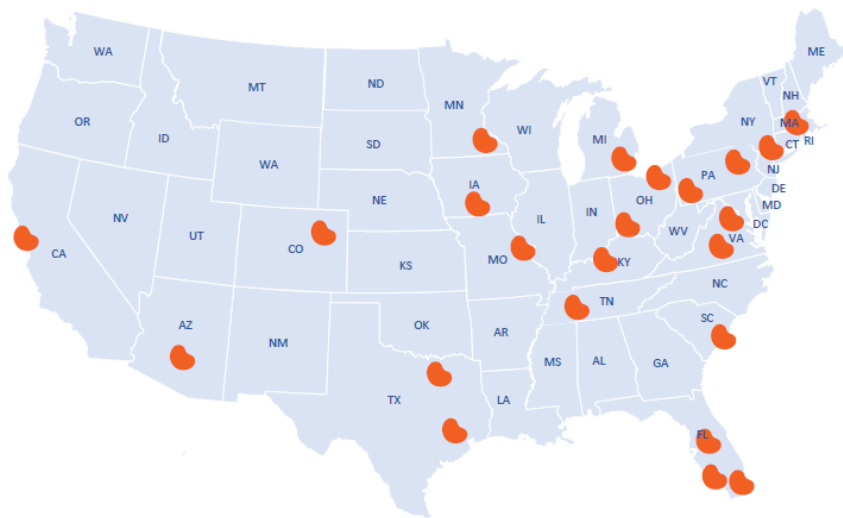

- Continue to develop virtual programs to help patients and their families receive the support, resources, and answers they need including:
 - Tools to help identify a living donor through [THE BIG ASK: THE BIG GIVE](#).
 - Educational webinars to better manage kidney health.
 - NKF Online Communities, a virtual space to meet peers.
 - [NKF Cares](#), a help line for patients and their families.
- Educate health professionals on effective kidney healthcare.
- Raise awareness about the risk of kidney disease through the Kidney Risk Campaign.
- Patient Empowerment Workshops that reach hundreds of patients a year

KIDNEY DISEASE: WHAT YOU SHOULD KNOW

- 37 million American adults have kidney disease, and more than 90 percent don't know it.
- Kidney disease kills more Americans each year than breast or prostate cancer.
- Major risk factors for kidney disease include diabetes, high blood pressure, a family history of kidney failure and being age 60 or older.
- Because kidney disease often has no symptoms, it can go undetected until it is very advanced.
- Early detection and treatment can slow or prevent the progression of kidney disease.

You and your colleagues can take the Kidney Risk Quiz at [MinuteForYourKidneys.org](#) to find out if you're one of the 33% of Americans at risk for kidney disease.
