*Honoring William Goggins, MD*

*Surgical Director of Renal Transplantation at Indiana University Health*

Dear Friends,

We invite you to support the National Kidney Foundation of Indiana (NKFI) at the annual *Celebrating Life Under the Stars* gala on **Saturday, October 26, 2019** at the Indiana Roof Ballroom in Indianapolis. The NKFI will honor Surgical Director of Renal (Kidney) Transplant, **Dr. William Goggins**.

**As rates of end stage renal disease (ESRD) continue to rise**, we are looking to increase our own efforts in the prevention and early detection of kidney disease. We need your help more than ever to expand our mission throughout Indiana. By partnering with the NKFI as a 2019 *Celebrating Life Under the Stars* sponsor, **you'll commit to opening doors for more screenings, more programs and more lives saved**. Additionally, you will have exposure to leading professionals in the Indiana **business and medical communities**.

Attached you will find an outline of the various sponsorship opportunities available at the 2019 gala. Please do not hesitate to contact us should you have any questions or require additional information. Your kind consideration and handling of this request is greatly appreciated.

Sincerely,

Sharon Moe, MD, FASN
