Statement of Need: Glomerular diseases are part of nephrology care that has surfaced a major change in pathophysiology knowledge and treatment. This CME activity will highlight the major changes in the last decade that have impacted management of glomerular diseases.

Program Objectives: All Northwell Health CME activities are intended to improve patient care, safety and outcomes. At the conclusion of this conference participants should be able to:

- Integrate a more informed approach (guideline based) to the care of the patient with glomerular diseases.
- Summarize evidence based literature from nephrology and rheumatology so that the patient management and outcomes can be improved.
- Optimize the medical care of the patient with glomerular diseases

Target Audience: MDs, DOs, PAs, NPs, RNs.

Joint Accreditation Statement: "In support of improving patient care, Northwell Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team."

Credit Designation Statements

Physician Credit Designation Statement: Northwell Health designates this live for a maximum of **8.0 AMA PRA Category 1 Credits™**. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Nurse Credit Designation Statement: Northwell Health designates this activity for **8.0** contact hours.

Physician Assistant Credit Designation Statement Options: AAPA Credit Designation Statement – Live
Northwell Health has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for **8.0 AAPA Category 1 CME credits**. PAs should only claim credit commensurate with the extent of their participation.

ABIM MOC Statement: Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC medical knowledge points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
