

Dear SCM22 Author,

Congratulations on your accepted research publication. We are looking forward to having you display your poster at SCM22. The date of your poster viewing is Thursday, April 7, from 6:00pm – 7:30pm.

**All accepted research publications have the option to display a physical poster at SCM22, upload an e-poster to the online gallery, or both. Please see the instructions below. Note: E-poster upload will not be available until March - we will send out communication at that time to notify you. If you are preparing a physical poster and attending on-site, we will follow up in March with your on-site poster number and check-in details. Please do not send us any posters at this time.**

Physical Poster set-up times:

Wednesday, April 6: 3:00pm – 5:00pm

Thursday, April 7: 8:00am – 3:00pm

Physical Poster Break-down time:

Saturday, April 9 from 10:00am – 11:00am

Note: Posters must stay up from Wednesday evening through Saturday at 10:00am. Posters not picked up on Saturday by 11:00am will be discarded.

You will have the option to upload an e-poster in advance of the meeting. Your e-poster allows people to access your poster before and after the meeting, exposing your research to a much broader audience. The poster must be a PDF to upload. If you created your poster in Powerpoint, you can go to “Save As” a PDF so it is in the proper format. Please note that you may only upload your E-Poster one time. **We will notify you when we are accepting e-poster submissions. They will be due by April 5, 2022.**

All information pertaining to Poster Requirements/Guidelines as well as E-Posters is outlined in PDFs on the site and can also be found here: [Notes for Poster Presentation](#), [Notes for E-Poster Presentation](#) and [On-Site Timing](#).

Lastly, if you plan to attend the meeting to display your physical poster, you must register for the NKF 2022 Spring Clinical Meetings. To register and make hotel reservations, visit the NKF SCM website at [www.nkfclinicalmeetings.org](http://www.nkfclinicalmeetings.org). *Kind Reminder: the advanced registration deadline is Friday, February 21, 2022!* Members of the NKF get the best registration rates! To become a member, sign up here: <https://www.kidney.org/professionals/membership>. Registration is not required if you choose to upload an e-poster and not attend the meeting.

We look forward to seeing you at SCM22!
